

IMPORTANT ANNOUNCEMENT FROM THE CEO

11th January, 2018

RE: Club renovations second phase + 3 x exciting Watergrill announcements

Dear Member,

As you may know, your favourite local Club, Cronulla RSL is about to enter its 65th year at Gerrale Street. I'm very pleased to announce that by the end of this historic year, The Club will have completed its much anticipated Level 1 + 2 renovation in just 9-10 months as opposed to the initial forecasted 14-16 months.

In order to achieve this outcome, the Board have decided to undertake the renovation of both levels 1 and 2 at the same time, as opposed to consecutively. This also works for our neighbours at Cronulla Surf Life Saving Club, who will be commencing their renovation schedule at the end of April 2018.

Whilst the process from the outside appears to have taken considerable time I'm sure you understand it was critical we planned the changes to the betterment of all members and guests – these things take time.

The Club's works are scheduled to commence 5th February 2018.

Your new Cronulla RSL will include:

LEVEL 1:

- All new Function & Events Centre overlooking Bate Bay
- Multi-purpose space with the ability to seat up to 300 or divided into smaller spaces

We intend to go to market selling these unique, exciting new Function spaces from March 2018. Our open date will be early December, 2018.

LEVEL 2:

- Amazing new Bar & TAB facilities
- New café overlooking Bate Bay with some exciting new menu options
- A comfortable Members Lounge
- Brand new TAB Lounge
- Dedicated Sports Lounge with larger screens for major sporting events
- Family area with dedicated kids space
- Private parents room
- The ability to order meals from Watergrill Restaurant from the comfort of Level 2
- All these areas operating from 10am daily

LEVEL 4:

- The addition of a roof on the deck that will:
 - Allow for year-round use
 - Comply with Council sound restrictions whilst also allowing us to play the Ode and low-level music
- A refurbished bar that will allow us to better serve our patrons and provide new products like cocktails and wines on tap
- Additional storage areas for our staff
